## SHOUT OUTS

- Thank you to our 12/20 pizza day volunteers: Julie DeBartolo, Katie Dalia, Natalie Rogozinsky, Mary Senkpiel & Erica Markman.
- Thank you to our holiday party planners for planning the celebrations before break and our historians for capturing the "money shots" of the kids enjoying their celebrations.

### Exciting Service Projects Ahead!

We are thrilled to announce some upcoming service projects to provide meaningful experiences for our students. Building on last year's amazing success, when our students packaged over 1,300 meals and created more than 1,600 bracelet kits for various organizations, we are eager to make this year even more impactful.

We are teaming up with several nonprofits to facilitate these projects again, and we kindly ask that you contribute to your student's participation (a suggested donation of \$25 per student). This support will enable us to purchase materials and supplies necessary for our service activities, ensuring that each student can participate fully.
